Acknowledgement of Single, Simultaneous Bidder Rule

As in prior tax sales, the Cook County Treasurer will enforce the Single, Simultaneous Related Bidding Entity¹ rule.

This rule provides that one tax buying entity (principal) may not have its/his/her/their actual or apparent agents, employees, or related entities, directly or indirectly register under multiple registrations for the intended or perceived purpose of having more than one person bidding at the tax sale at the same time for the intended or perceived purpose of increasing the principal's likelihood of obtaining a successful bid on a parcel.

This rule does not prevent a single bidder from alternating the identity of the buyer for whom they are bidding at any given time, so long as related bidding entities, or entities perceived to be related, are not bidding at the same time.

The determination of whether registered entities are related, so as to prevent the entities from bidding at the same time, is in the sole and exclusive discretion of the Cook County Treasurer or her designated representatives.

By signing below, I certify under penalty of perjury pursuant to § 1-109 of the Illinois Code of Civil Procedure, that I am a duly authorized agent, officer, or representative for SABET GROUP GARGELOWN that Investors LLC I have received and understand the above-stated rules; that at no time during the 2002 Annual Tax Sale shall I, or the entity that I represent, or an entity directly or indirectly related to the above tax buyer, have multiple bidders registered as separate bidding entities, simultaneously bidding at the 2002 Annual Sale.

I agree that if the tax buying entity that I represent is challenged by the Cook County Treasurer with respect to having related, or allegedly related, entities simultaneously bidding at the Annual Sale, that all such disputes shall have as exclusive venue and jurisdiction in the Circuit Court of Cook County.
